

## GETTING RID OF GUILT

This is how you should pray . . . Forgive us our debts

Matthew 6:12

We continue our study through the model prayer Jesus taught as part of His Sermon on the Mount. We refer to it as "The Lord's Prayer." Because none of us are perfect, we have a need to learn how to deal with guilt when we do things that are wrong. The bible tells us the solution is to ask God for forgiveness. Let's open our hearts and minds to allow God's Spirit to teach us how God forgives.
