

WELCOME TO WEE CARE!

We are a licensed, nonprofit, Christian Day Care and we serve children ages 2 through 12 years of age.

MISSION STATEMENT

Our staff at Wee Care strives to meet the children's needs physically, emotionally, intellectually, creatively, socially and spiritually. Wee Care is centered around biblical principles which are taught through Bible stories, chapel, prayer time and daily activities. It is very important to teach pre-school children social skills and build the good character within them. Children who are taught good social skills and good behavior, such as, the ability to listen, take turns, have self-control, and show respect, are more likely to have an easier time in kindergarten, socially and academically. Our prayer for your child is to have a positive future, one where they can find their special place in society for God has made them all different and each one special.

Staffing

All members of our staff are well qualified to carry out our goals and have been approved by the State Licensing Agency.
